Personal information collection

SLSC may collect and use the following personal data:

- information about your use of this website;
- information you provide in the process of registering on the website;
- information about transactions carried out via this website;
- information you provide for the purpose of subscribing to the website services;
- Any other information you send to SLSC.

Using personal information

SLSC may use your personal information to:

- administer this website;
- personalize the website according to your settings;
- enable your access to and use of the website services;
- send you the products you have purchased;
- provide the services you have purchased;
- collect payments from you;
- Send you marketing communications.

The information given is stored only for the period of data processing.

Where SLSC discloses your personal information to the third parties (agents or sub-contractors) for the above-mentioned purposes, the third parties will be obliged to use that personal information in accordance with the requirements of this privacy statement.

In addition to the disclosures reasonably necessary for the purposes identified above, SLSC may disclose your personal information to the extent required by law, in case of any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Securing your data

SLSC will take reasonable technical and organizational precautions to prevent the loss, misuse or alteration of your personal information.

SLSC will store all the personal information you provide on its secure servers.

Information regarding electronic transactions carried out on this website will be protected by encryption technology. Encryption is accomplished through Transport Layer Security (TLS) to encrypt information. TLS is a protocol that ensures that a connection to a remote endpoint is securely encrypted in order to provide privacy and data integrity.

User Rights

The User of the website has the following rights:

- the right to be informed
- the right of access
- the right of rectification
- the right to erasure
- the right to restrict processing
- the right to data portability
- the right to object
